Daily cleaner

PREPARATION, APPLICATION, MAINTENANCE

LisoClean 820 has to be diluted with water. The dilution has to be between 1% (10ml/L) and 5% (50ml/L).

If LisoClean 820 is to be used in scrubbing driers, please refer to the machine supplier directions.

In case of manual use apply following the dirtiness of the floor.

Use a brush or microfiber mop to clean with the diluted solution.

Let the product react.

Rinse with plenty of water.

SAFETY

» Keep out of reach of children
» Protect from freezing
» Wear safety glasses and rubber gloves
